Oxford is a leading global real estate investor, asset manager and builder of businesses. We build, buy and grow defined real estate operating businesses with world-class management teams. Creating economic and social value through real estate – safeguarding the future and creating a world of opportunities for our customers, team members, partners and communities.

Today, Oxford and our portfolio companies manage nearly \$70 billion of assets across four continents in some of the world's most transformative places. Our competitive advantage is in combining global platforms and expertise with local trends and experience to create exceptional experiences and value.
